

**GASOLINE & AUTOMOTIVE SERVICE DEALERS OF AMERICA, INC.**

**18 Liberty Street, 2nd Floor**

**Stamford, Ct. 06902**

**Phone: 203-327-4773 Fax: 203-323-6935 Web Site GASDA.Org**

GASDA is the retailer operated professional trade group serving Connecticut area gasoline retailers, Body Shops, Towing Operators and independent repair shops. In its capacity as the unifying group and voice of members, the legal, legislative, public relations, and benefit needs are actively managed to help solve your business problems. The group is governed by a Board of Directors, operates according to by-laws, and is managed by an Executive Director. GASDA actively represents the shared interests of all of its members, as well as providing a support function for various sub-groups called *Committees*. Also we encourage **all** to participate. These sub-groups have more narrowly defined objectives to work specific issues of the Committee members. We welcome you to experience a new generation of automotive retailing association organized as a power base to pro-actively meet your needs and expectations. You can be active or passive as a member, but we won't disappoint you. Please take the time to complete this form today. As a member, you also receive the *Survivor* Newsletter packed with important local and national information.

***Please include information/business card for each location!***
