DELIVERING VALUE TO CLIENTS IN THE BUILT ENVIRONMENT.

For more than 30 years, BL Companies has been an award-winning leader in delivering high-quality, integrated architecture, engineering, environmental, land surveying, planning and consulting services for land development, building design and infrastructure projects.

BL Companies provides environmental and engineering services for petroleum retailers. We specialize in:

- UST/AST regulatory compliance
- Phase I environmental site assessments
- Phase II and III environmental site assessments
- Site remediation and closure
- Geophysical investigations
- Canopy & dispenser design and permitting
- Retail facility design and permitting
- Hazardous building materials inspections
- Stormwater management
- Boundary surveys

BL Companies is proud to be employee-owned and client driven.
