

GASOLINE & AUTOMOTIVE SERVICE DEALERS OF AMERICA, INC.

2 Armonk Street, #1017, Greenwich, CT 06830 | P: 203-327-4773 | F: 203-323-6935 | www.gasda.org

GASDA is the retailer operated professional trade group serving Connecticut area gasoline retailers, Body Shops, Towing Operators and independent repair shops. In its capacity as the unifying group and voice of members, the legal, legislative, public relations, and benefit needs are actively managed to help solve your business problems. The group is governed by a Board of Directors, operates according to by-laws, and is managed by an Executive Director. GASDA actively represents the shared interests of all of its members, as well as providing a support function for various sub-groups called Committees. We encourage all to participate. These sub-groups have more narrowly defined objectives to work specific issues of the Committee members. We welcome you to experience a new generation of automotive retailing association organized as a power base to pro-actively meet your needs and expectations. You can be active or passive as a member, but we won't disappoint you. Please take the time to complete this form today.

Please Provide Complete Information for Each Location:

*Your membership vote(s) determine the direction of the Association. The number of votes you can cast is determined by the number of locations you own. **YOU DO NOT PAY FULL PRICE** for any location after your first one. It is critical to show Legislators that GASDA represents a high percentage of retailers in Connecticut. Trying to save by not paying for all your locations only hurts all of us.*
